

FAQ's About the St. Francis PEA Chapel

(Updated July 31, 2026)

How do I get in?

The Chapel door is located on the east side of St. Francis Church (the door closest to 13th street). The door has a code lock. Please contact your Division Leader or Head Coordinator for this code.

What does Perpetual Eucharistic Adoration (PEA) mean?

Perpetual Adoration is a Eucharistic devotion whereby members of a given parish (5 parishes in our case) unite in taking hours of adoration before the Most Blessed Sacrament during the day and throughout the night, seven days a week. One person **must** be present at all times when the Blessed Sacrament is exposed in the monstrance (the gold/silver holder that the host is placed in), but two should be present each hour at least. Jesus cannot be left alone, even for a moment.

What if I can't cover my shift?

Contact the adorers who share the hour with you to let them know you're not going to be there and verify that they will be there. If this fails, call substitutes from the substitute list, or go online and use AdorationPro to find a sub for your hour. If you can't find a sub through AdorationPro, and you have called at least five substitutes, then contact your Division Leader and Head Coordinator (in that order).

Can I talk during my hour?

Yes - to God in silent conversation. Everyone has the right to a silent and undistracted prayer environment. So please do not use this time to get caught up with friends or get messages to people you might run into in the chapel. There should never be talking in the chapel, period, or interrupting of others, including giving them a note.

What if there is bad weather?

If the weather is under a winter weather advisory, watch or warning and the chapel needs to be closed for the safety of the adorers, an email will be sent. In addition, phone calls to the adorers that would be affected by the closing will be undertaken. The email and phone call will explain the time we're closing and when we plan to reopen. The closing will also be posted on the website, www.stfrancisadoration.org. We have moved from relying on the closing of the schools for when our chapel should close due to weather since it affects our overnight adorers before knowing what the schools will do. The weather is monitored closely during the winter months when this is most crucial for our ever-changing weather and road conditions.

What is proper etiquette in the chapel?

Modest dress is important (modest blouses, no immodest skirts or shorts). Please try to keep shuffling papers and other noises to a minimum. Make sure to turn off your cell phones! Children should not cause distractions to others, but at the same time we want them to learn this beautiful form of prayer – try to find the “prudential middle”.

What if there is an emergency?

A list of emergency contacts can be found in the “sign-in” room.
